

Dear (Name)

Please read the following text carefully. You are about to sign an agreement that commits you to certain conditions that could impose financial consequences upon you.

BLOXWICH SUB AQUA CLUB and its servants undertakes to be purely a booking agent for club / group dives but does not accept any responsibility for cancellations or any other conditions of alteration in connection with the organised trip

Dive trips/ holidays, are arranged by individual members, for and on behalf of other members. There are usually a limited number of places (i.e. a max. of 12) and due to the large number of members in the club who would want to go on such trips but are excluded due to the limitation of spaces, members should not sign up to such trips if there is a known likelihood of having to withdraw at a later date.

A long-standing, unwritten club rule has been that if you, the diver, agrees to be a member of a dive / trip, then you are committed to it. If you later decide to cancel for whatever reason it is up to you to find a replacement diver or to stand the cost of the trip in the event of your inability to attend.

All dive trips are arranged on an understanding that the cost of the trip is shared equally amongst the number of members on that trip. This is because the cost of hiring a boat for a trip is a set price, regardless of how many people use it. If a member later decides to withdraw for whatever reason, it is unreasonable to expect the other members of that trip to cover that shortfall.

It is for this reason that BLOXWICH SUB AQUA CLUB strongly advises all members to take out personal insurance against such an event.

Failure to pay your share of the trip / holiday will result in a number of actions being taken which might ultimately result in exclusion from the club or court action to reclaim that cost. It is for this reason that we wish to avoid any misunderstanding or unpleasantness and your signature on this agreement states that you agree to abide by this ruling

This document does not take away your rights in relation to claims made against the holiday company in respect to alterations or conditions changed imposed by them.

We want all members to continue enjoying club trips and for the organiser to feel confident in others when booking trips, this agreement is designed to help that process.
